#### VEXED WITH MUD AND RAIN

OTTAWA TRACK DRENCHED AGAIN AND THE ATTENDANCE SUFFERS ACCORDINGLY.

Lewis Garth Scores a Double with Stucco and Welga-Corsican Wins the Main Race in a Canter-Sweet Colleen in Front.

Ottawa, Ont., August 30.—An allowance race at one mile, which was contested by a representative field, was accorded the feature position on the program at Connaught Park this afternoon and resulted in an easy victory for R. A. White's Covican over Pardner and Plate Glass. The winner, ridden by J. Morys, followed the good pace set by the speedy The Widow Moon until the stretch had been reached, then moved up to draw away into an easy victory. The victor was overlooked by the talent and went to the post neglected in favor of Pardner.

range victory. The victor was overlooked by the talent and went to the post neglected in favor of Pardner.

Heavy rains, that fell early this morning, and the drigale of Sunday, turned the going into a veritable of Sunday, turned the going into a veritable engagnine and resulted in several upsets, mud ranners of a pronounced type having a field day as the result. Threatening weather of the late morning and early afternoon, diminished the attendance to all but the regulars and a few ardent devotees of the sport. Despite the bad going the racing was interesting throughout the afternoon. The stable of Lewis Garth was again prominent and furnished two of the winners. Stucco placed another steeplechase to his credit and Welga, racing in the silks of Samuel Ross, accounted for one of the two-year-old races. Stucco came from behind and, passing his opponents when going to the last fence, won with ease from Cynosure. Welga was the medium of a heavy plunge, being backed to the exclusion of all others in the race.

The colors of J. E. Seagram were carried to victory in the opening dash, when Sweet Colleen outlasted a band of Canadian-foaled two-year-olds at a sprinting distance.

Charles O. Smith, who made a flying trip to visit his wife in St. Michnels Hospital at Toronto, where she is suffering from typhold fever, returned this morning. Mr. Smith stated that Mrs. Smith was on the road to recovery and that the crisis had been successfully passed.

by passed, additional departures for the Timonium Baltimore were reported this morning, tem being M. B. Wolf, Henry Cohen and at the

Fair at Baltimore were reported this morning, among them being M. B. Wolf, Henry Cohen and Al-Kennedy.

The first of the departures for Montreal took place this morning when the stables of J. Polk, N. K. Moody, A. A. Gregg and L. Wilson were shipped to Borval Park to await the opening of that meeting, following the one at Blue Bonnets.

E. Foucon, trainer for H. S. Newman, will leave Toronto for the Newman ranch at Sweetwater, Texas, this fall to pick up and break about forty yearlings at present there. Ambitious plans have been mapped out for a winter campaign, which will include the New Orleans and Juarez meetings. Pan Zareta, the mainstay of the stable at present, will be turned out next fall for a prolonged rest and brought back to Canada for another campaign next year.

and brought back to Canada for another campaign next year.

A notice, posted in the secretary's office this morning by Judge Francis Nelson, forbade all trainers and owners to use wire in tying down a horse's tongue. This became effective immediately, Frank J. Bryan has arrived at Montreal to assume his duties in connection with the coming meeting at Bine Bonnets.

Joe Murphy, W. Chapman and John Monaham were among the arrivals today from Saratoga and will remain for the rest of the Canadian circuit. Harry Glddings, Jr., came over from Bine Bonnets, where he shipped his table from Windsor, to witness today's racing.

GOSSIP OF THE LOUISVILLE TRACKS.

Camden Herses Coming Next Week-Little Nephew and Little String Training Well.

and Little String Training Well.

Louisville, Ky., August 30,—The big racing stable of Senator J. N. Camden will be shipped here direct from the east on September 8 by trainer Peter Wimmer. The string will be quartered at Churchill Downs and consists of sixteen horses, all of which will do their first racing in Kentucky this autumn on the local tracks. Among the crack horses in this shipment is one Step, the good three-year-old filly, which has been nominated by her owner to the three big long-distance races, namely, the St. Leger at Churchill Downs, the Louisville Cup at Douglas Park and the Latonia Cup. Another good racer in this string is Marse Henry and the two speedy sprinters Luke and Bringhurst are also in the string. The latter two are eligible to the Falls City Handicap, the three-quarters stake race which will open the fall meeting at the Downs. Senator Camden has also engaged One Step and Bringhurst in the Douglas Park Inaugural Handicap to be run there on the opening day of the fall meeting. The shipment of the Camden stable direct here from the east and coming as late as September 8, indicates that at least this year none of this big stable of horses will take part in any of the racing at the Lexington Kentucky Association track. Trainer Wimmer still thinks that in Marse Henry the Camden string has a bright Derby prospect for next year. He is a peculiar colt in liking only a certain kind of a track to run over and Wimmer still thinks that in going to suit him, he is the equal of any two-year-old in training.

M. B. Gruber's two crack racers, Little Nephew and Little String, are training as encouragingly as any that are now quartered at the local tracks, Little Nephew recently pulled up apparently entirely sound after working three-quarters in 1:16 and Little String has been a mile in the last few days in 1:44% and seemingly has speed to burn in all kis late work. He is a grand-looking colt now and carries more flesh than every prospect. Tillie's and seemingly has speed to burn in all kis late work.

Welfes will no doubt in time produce for west a colt or filly which will do credit to this once good race mare.

W. C. Claney has thirty-one horses in his barn at the Downs, all of which are owned by the Cleveland, Ohio, racing firm of Corrigan & McKinney. Twenty-eight of the number are yearlings, and they are a sightly looking band of youngsters. He has a chestnut colt that has attracted a lot of attention owing to his peculiar color, as is well known the immortal Sysonby had a number of roan hairs in his cot. This youngster is by Superman, and is out of a mare by Orme, the sire of Sysonby's dam. The future of this colt will undoubtedly he noted with interest by turfmen who have seen him. All of the yearlings in charge of Claney are excellently broken and appear to be well behaved on the track. He trains them in bunches and gets each one thereby used to company. They promise well so far for introducing the new racing firm of Corrigan & McKinney to the turf next year with some shining stars.

McKinney to the turf next year with some shining stars.

Trainer Diek Brooks has eight horses in his string here, three of which, Notseless, Boly Hill and Fleetahelle, he will ship to Lexington this week to race at the coming Kentucky Association meeting. The other five horses in his string are two-year-olds, two of the number being owned by Miller Henderson, they being by Jack Atkin and Garry Herrmann and he has a good-looking filly by King Hanover that is locally owned.

The Kentucky Oaks winner, Bronzewing, is daily to be seen now at the Downs taking her usual work, but fears are expressed that she will not stand training. Bodily she looks good and the slow work she has had has apoarently not, as yet, had any effect on her dicky legs, but close observers predict that trainer Dan Leban has his hands full in attempting to get the daughter of Stalwart back in her old-time form to the races again. If she fails again her owner, A. P. Humphrey, Jr., will retire her to the stud.

J. N. Huffman & Co.'s good two-year-old Mary H. is delay would be the recession to Dougles Park.

ratirs again her owner, A. P. Homphrey, Jr., will retire her to the stud.

J. N. Huffman & Co.'s good two-year-old Mary H. is doing well in her training now at Douglas Park and pomises to give a good account of herself if she meets with no mishap before the fall Kentucky racing campaigns begins. Mary H. has already the record of seven wins this year. Her trainer thinks if she meets his expectations the coming fall she will close the year as the leading race winning two-year-old filly of 1915.

O. A. Bianchi's bay mare Minee C., foaled in 1906, by Watercolor—Maiden Poem, (half-sister to Santa Bella, dam of Ormondale), died last week at John Wiggins' farm in Bourbon County, Ky. Mr. Bianchi has a promising yearling filly by Marathon out of Aimee C. at the Lexington track and a weanling bay colt by Jim Gaffney at the farm.

#### THIRTY LEADING AMERICAN JOCKEYS.

By guiding seven winners, jockey W. Lilley enjoyed the satisfaction of heading the list of the thirty most successful riders in last week's racing. M. Garner and W. Doyle came next with the score of five winning mounts each. Lilley's good week resulted in placing him second to Garner in the year's record of races won. McCahey also passed Butwell, who is now fourth in the list. McCahey has been riding well this year, but he is now something of a veteran in the saddle himself. The riding records of the thirty leaders are now:

FOLKS HIGHLY PLEASED AT SARATOGA.

Meeting Proves a Money Maker Beyond the Most Sanguine Expectations.

Saratoga, N. Y., August 30.—The officers of the Saratoga Association said that the meeting which ended Saturday had been successful beyond their wildest dreams. In the two previous years the association was helped out by the Owners' Fund and, with that exhausted, there was doubt of the financial success of the meeting. Big crowds from the opening to the closing day dispelled these doubts and firmly established the fact that racing is again able to stand on its own legs. From a social standpoint the meeting also was brilliantly successful.

The much-talked-of struggle between east and west ended overwhelmingly in favor of the east and west ended overwhelmingly in favor of the east and for this result the stable of L. S. Thompson, which shelters the horses owned by Harry Payne Whitney, was largely responsible. Trainer James Rowe exercised great patience in waiting until his racing machines were fit and result was that, with the exception of Borrow, all the horses started by this wizard trainer earned winning brackets.

Rowe showed to great advantage in the two-year-old division, winning in good company with Dominant. Thunderer, Bromo and Chiele, while Regret, the three-year-old queen of the turf, retained her umbeaten reputation by winning easily the only race in which she started. Borrow, in the aged division, lad to how only to the great Roamer, which led the handicap horses with three victories out of four starts, being beaten when carrying 132 pounds on a track not to his liking.

The Thompson stable was by far the largest money winner, with a total of \$23,800, of which Dominant accounted for \$18,945 by victories in the United Stakes. Bromo, owned by L. S. Thompson himself, added considerably to the amount by winning the Grab Bag Handicap. Regret took first money in the Saranae Handicap, while Thunderer and Chiele won overnight races of small values.

Of the vaunted western two-year-olds, J. W. Parrish's Bulse was the only one to uphold his repation and even he was deprived of the unbeaten certificate he held

#### CURRENT NOTES OF THE TURF.

James Rowe has shipped the Whitney string to Belmont Park. James Butler's good sprinter High Noon has been showing improved form in his work of late.

W. G. King-Dodds will go to Lexington shortly to tack up some yearlings he has there.

J. S. Ownbey will ship his string from Saratoga to Belmont Park and then to Havre de Grace.

Charles H. Hughes, who trains the horses of J. H. Stamper, Jr., will remain at Saratoga for a few days and then ship his string to Lexington, leaving Saratoga September 3.

W. F. Presgrave will at once ship his horses from Saratoga to Montreal, race them at Blue Bonnets, ship to Toronto for the fall meeting there and then send them to Maryland to race.

send them to Maryland to race.

C. L. Schwartz, who races under the name of "Mr. Archdale," has purchased the Peter Quince two-year-old Helping Hand from C. K. G. Billings. It is intended to convert her into a steeplechaser.

Conclusive evidence of the success of the betless meeting at San Francisco is furnished in the voluntary raising of the minimum value of purses to \$300, a move highly approved by owners racing their horses at the Presidio track.

Jockey E. Taplin has joined the list of jockeys riding at San Francisco. He had gone to his home in California with the announced intention of resting until the opening of the Havana meeting, but could not resist the call of racing right at hand.

Gwyn Tompkins will ship his stable from Saratoga to Blue Bonnets, and after participating in that meeting he will go to Toronto for the Ontario Jockey Club's autumn meeting. At the close of the latter meeting he will send his horses to Maryland, and they will finally go into winter quarters at his farm in Virginia.

and they will finally go into winter quarters at his farm in Virginia.

Edward McBride, owner of the good two-year-old George Smith and other thoroughbreds, who was so seriously hurt in an automobile accident at Saratega while motoring in from the lake, came out of the hospital and left for his home. His broken foot is still in a plaster east and it will be some time before he is able to be about.

At the Presidio track last Tuesday, six bookmakers caught laying odds were ejected from the track and ordered to stay out. On Wednesday thirteen more were expelled with the same injunction. The 'betting committee' is george W. Wingfield, R. Porter Ashe and J. C. Cowdin, assisted by a competent band of Pinkerton men, and they are enforcing the no-betting rule sternly.

John E. Madden, master of Hamburg Place, has had a wonderfully good season, though his colors have not often been seen in front of late. Mr. Madden has disposed of all the two-year-olds he put on the market reserving the fillies to be returned to Hamburg Place when they are through with racing. He still has Sir Vivian, son of Ogden and Lady Sterling, and it is the present intention of Mr. Madden to campaign him again next season.

Wrack, a beautifully-bred son of Robert le Diable and Samphire by Isinglass and a good race horse, has been purchased by A. B. Hancock from Lord Rossebery. The deal was made through the British Bloodstock Agency of London and the horse, which is still in training, will be delivered after the racing season is over in November. This horse, if all goes well, will prove a valuable acquisition to the Ellerslie Stud.

Mr. Price McKinney has recently purchased two more mares and their foals abroad and these, with

Mr. Price McKinney has recently purchased two more mares and their foals abroad and these, with Colna and Off, purchased out of the recent sale at Newmarket, will arrive in New York the first of this week. The mares and foals will be turned over to John Miller, who is now there, and he will immediately bring them to Kingston Farm. The breeding of the mares and foals is: Plain Jane, ch. m., 1911. by Mauvezin—Parlour Maid, by Oryleto, and filly foal by Collar; mare in foal to Javelin. Scrubwood, b. m. 1998, by Bushey Park —Cortina, by Desmond, and filly foal by Javelin; mare in foal to Tullibardine, son of St. Frusquin and Floors, by Trenton.

and Floors, by Trenton.

James Rowe, when talking of Bromstick at Saratoga a day or two ago, said that he had grown and thickened greatly since his retirement. "I have not put him under the standard," he said, "but I think he must be fully 15 3-4 hands high, and possibly nearer 16 hands than that. He has lengthened and thickened, too. He is a grand-looking horse now." Referring to Whisk Broom II., trainer Rowe said: "He always was a big horse, even when he was racing. He must be fully 16 1-2 hands high and he is a heavy horse for his inches. He would probably weigh not less than 1,200 pounds. His weanlings are a fine looking lot, and I expect him to make a fine showing in the stud."

#### FUTURITY NEAR AT HAND

FAMOUS TWO-YEAR-OLD CLASSIC TO BE DE-CIDED AT BELMONT PARK SATURDAY.

Harry Payne Whitney's Thunderer Likely to Rule Favorite-Field of Good Size and Quality Assured for Race.

New York, August 30.—There is no race in this country that has as much sentiment connected with it as the Futurity Stakes for two-year-olds, which will be run at Belmont Park on Saturday, September 4, during the autumn meeting of the Westchester Racing Association.

The fact that it is the most valuable prize for which thoroughbreds contest in the United States—it will be worth upwards of \$20,000 this autumnis not alone responsible for the glamor surrounding it. There is, above and beyond the financial return, the satisfaction which comes to every man when he will be specificated to the winner in 1800. The satisfaction is a single state of the prize. It is the race that every breeder of theorems of the winner in 1800 and the satisfaction of the public, and for three years it was run at Stratoga. This season it has been transferred to the Westchester Racing Association by the Conev Island Jockey Club and henceforth it will be a part of the Westchester Racing Association by the Conev Island Jockey Club and henceforth it will be a part of the Westchester Racing Association has a three-quarter mile track that is asstraight as a gun barrel and the best horse should win over it every time with ordinary racing luck. It will be a part of the property of the present head of the Futurity as the Westchester Racing Association has a three-quarter mile track that is asstraight as a gun barrel and the best horse should win over it every time with ordinary racing luck. It will be a part of the present head of the futurity in the past. Who can forget the day when horse drawing an outside position at the start of the jocker did not know the shortest way to the finish. There have been many memorable contests for the Futurity in the past. Who can forget the day when horse drawing an outside position at the start of the given by the present head of the future of the present head of the

has that good colt, Marse Henry, named in honer of the veteran editor of the Louisville Courier-Journal.

Another candidate from Kentucky is Thomas C. McDowell's Primero, a son of Voter, which should go well if the course is fast. Gifford A. Cochran's hopes will be pinned on Air Man or Feminist and he may elect to start both of them. Celandria will be the candidate of the Elkwood Park Stable, while Achievement will represent Richard F. Carman. John E. Madden must depend upon Sir Vivian, a borther of St. Martin, a horse of quality, and himself second to Maskette for this same race in 1908 with 127 pounds in the saddle, while Kilmer will represent W. A. Prime. Ormesdale will bear the colors of Richard T. Wilson, and if this big colt should be in the form he displayed at the Belmont Park spring meeting his chances would be second to none. He trained off, however, before coming to Saratoga and in his only start at that point was crowded into the fence and did not have an opportunity of showing his true form. He may find his speed, however, in the Futrity over a course for which he has always displayed a liking, having been trained at Belmont Park, the Wilson headquarters for years.

The Futurity will no doubt draw visitors from all over the east, but it is not the only attraction for Saturday, as the Belmont Park Autumn Handicap for three-year-olds and upward at one mile and an eighth, and the Amateur Cup, for gentlemen riders, will be decided on the same day. The early days of September will see a return of society folks from mountain and seashore and there will undoubtedly be a generous outbouring of that portion of the community which looks upon the meetings of the Westelester Racing Association as the fashionable events of the spring and fall.

#### GENERAL NEWS NOTES OF THE DAY.

GENERAL NEWS NOTES OF THE DAY.

The German statement of progress in Russian, made by the war office at Berlin yesterday, was: Eastern theater—Army group of Field Marshal von Hindenburg: The troops of General von Beseler are stationed in the region surrounding the bridge-head south of Friedrichstadt. In an engagement east of the Nieman the army of General von Elchhonr reached a point northeast of Olita. An additional 1,600 prisoners and seven cannon were captured. In the direction of Grodno the town of Lipsk, on the Bobr river, was taken by storm and the enemy forced to surrender. The Widra, a tributary of the Sukelka, was crossed by our troops. The enstern border of the forest directly east of Bialystok has been reached at several points. Army group of Prince Leopold—In the Bielobiegh forest fighting goes on for possession of the crossing over the upper Narew. German and Austro-Hungarian troops under General von Woyrsch drove the enemy out of his position at Buchodol, on the eastern border of the forest and at Szereszowo and are now closely pursuing him. Army group of Field Marshal von Mackensen—In order to render possible the retreat of their rear guard divisions through the marsh district, the Russians made a stand once more yesterday on a line in the Koddubno district, south of Kobrin. They were defeated, although they brought back and threw into the battle some divisions which previously had been failing back.

The United States submarine F-4, submerged outside the harbor at Honolulu since March 26 last, was refloated late Sunday night and towed to the quarantine station in Honolulu bay. The submarine commanded by Lieut. Alfred L. Ede and with a crew of twenty-one men, went to the bottom off the harbor of Honolulu on March 26, 1915, during maneuvers of the "F" squadron. It was located two days later, and diver John Agraz of the harbor for Honolulu on the decident reports gained circulation that the F-4 was not in good condition when it went below world's record, in an effort to facilitate the work of bringi

At Petrograd yesterday the following statement was given out: In the Riga region the situation is unchanged. In the direction of Frederickstadt, after the last few days of stubborn fighting, our troops have retired further to the westward of Frederickstadt. On the right of the Viliya and between the Villya and the Niemen river stubborn fighting continued Friday and Saturday on the front from Podbrodze toward the north of Vilna to Nody-Troki and Ganchoucki and still further up the Niemen. As a consequence of the enemy massing strong forces south of Vladimir-Volynski, with a view of developing an offensive toward Lutsk, Stavoe and Rojistche, in an endeavor to turn our right flank in Galicia, we took the necessary measures to change the position of our forces. These changes were executed Friday and Saturday under cover of actions northwest of Lutsk.

The French official statement of yesterday says:

The French official statement of yesterday says:
Yesterday evening saw severe artillery fighting accompanied by the explosion of mines and engagements with bombs and hand grenades, at a large number of positions in the Argonne district. The trenches of the enemy were seriously damaged at Courtes, Chaussees, Meurissons and at Bolante. Another raid by French aeroplanes on military exhabilishments of the Germans has been announced by the war office. Barracks and railway stations in the Ardennes and the Argonne were attacked. Violent German attacks near Marie-Therese and west of the forests of Malincourt were repulsed.

President Wilson had given up all idea Monday
of a further extended vacation this year. He had
planned to pass the whole menth of September at
Cornish, N. H., but his plans now are not to leave
Washington until the situation between the United
States and Germany clears, if he leaves at all,
The president already has received assurances from
official German sources which he hopes will result
in solving the controversy with Germany over
her submarine warfare. He is waiting, however,
for Germany to make formal disavowal of the
attack on the Arabic and assurances of safety to
Americans on the high seas in the future.

It is stated that Thomas A. Edison has asked the United States naval authorities to reserve decision on his submarine storage battery until it has received a more thorough test on the submarine E-2. The battery, designed to eliminate the formation of poisonous chlorine gas, has been tested in the Brooklyn navy yard and it not only measured up to all hopes of the inventor but exceeded the expected efficiency by at least twenty per cent. But the drastic series of tests which the battery has already been given is not enough for Mr. Edison.

Nearly \$20,000,000 in gold and securities worth \$25,000,000, the second large shipment sent from London to strengthen British credit in this country, arrived at New York early Sunday on a special train of steel cars, guarded by thirty-eight armed men. The shipment came direct by rail from Halifax, N. S., to which port is was conveyed by a British warship convoyed by smaller craft.

What are claimed to be authentic reports have been received by county officers at Brownsville, Tex., that forty-seven Mexican bandits who participated in the attack on the Norias ranch, sixty-five miles porth of Brownsville on August 8, have been killed by American posses and officers and that the others of the band, numbering probably fifteen, are still at large in the brush.

The disabled Japanese cruiser Asama, which went ashore near Turtle bay, Lower California, early in February, was expected to arrive at San Francisco Monday. The Asama is being convoved by the Japanese naval repair ship Kwanto Maru, which will be permitted to take on coal enough to carry it to the nearest home port, and necessary supplies. General Emiliano Zapata has made a favorable reply to the peace note recently sent by the Pan-American conference to all Mexican leaders. General Manuel Palafox, Francisco Chazaro, Pacheca Lazo and others also have made favorable replies.
